

1) Go to D2L -> Homework folder. Then, select “Homework1 upload” as shown in the picture here:

The screenshot shows the D2L Content Browser interface. On the left, there's a sidebar with a blue header "Content Browser | ▾". Below it, under "HOMEWORK", there are several items: HW1, Homework 1 upload (which is highlighted with a black border), HW2, Homework 2 Upload, Homework 3 Upload, Homework 4 upload, Homework 5 Upload, and Homework 6 Upload. To the right of the sidebar, there are three vertical panels: "Upcoming events" (listing "JAN 26 8:00 PM Homework 2 Upload - Due"), "News" (listing "There is no news to display. Create a news item."), and "Library Resources" (listing "Research & Course Guides", "MSU Lib Guides", "SearchPlus" with a search bar, and "Need Help?"). A small blue butterfly icon is visible on the right side of the screen.

2) You should see a new screen like the one here. Select “Add Attachments” to upload your files.

The screenshot shows the activity details page for "Homework 1 upload". At the top, there's a breadcrumb navigation: "Table of Contents > HOMEWORK > Homework 1 upload". Below it, there's a title "Homework 1 upload" with a dropdown arrow. Underneath the title, there's a "Instructions" section containing the text "Please convert your text document to PDF document before you upload." and a link "Add Attachments". Further down, there's a "Reflect in ePortfolio" section. The main content area is divided into three tabs: "Activity Details" (selected), "Learning Objectives", and "Completion Summary". In the "Activity Details" tab, there are sections for "Required: Automatic" (with a note "Submit to the Dropbox folder to complete the activity"), "Starts Jan 12, 2017 12:00 PM Ends Jan 20, 2017 8:00 PM", "Options" (with "Unlimited files" and "All submissions are kept" checked), and "Assessment" (with "Homework 1" and a score of "0 / 20"). At the bottom, there's a note "Last Modified 8/17/2016 1:59 PM". A small orange butterfly icon is visible on the left side of the screen.
